Description : Extension of the term of the period for receiving comments on the Sanitary Technical Regulations Project for the regulation and control of products for human use and consumption that contain non-psychoactive cannabis or hemp, or their derivatives.

In compliance with what is stipulated in the Agreement on Technical Barriers to Trade AOTC and Decision 827 of the Andean Community CAN, Ecuador is pleased to inform that an extension of time is granted for the receipt of observations to the Sanitary Technical Normative Project for the regulation and control of products for human use and consumption that contain non-psychoactive cannabis or hemp, or its derivatives, notified under the symbol G / TBT / N / ECU / 494 of January 5, 2021. By virtue of the above, the deadline for Reception of observations will be until March 12, 2021, inclusive.
