

**NOTIFICATION***Addendum*

The following communication, dated May 14, 2018 , is distributed at the request of the delegation of Colombia .

---

The Republic of Colombia communicates in relation to the draft of modification of the resolution N ° 689 of 2016 of the Ministry of Health and Social Protection and the Ministry of Environment and Sustainable Development "*By which the technical regulation that establishes the maximum limits of phosphorus is adopted and the biodegradability of surfactants present in detergents and soaps, and other provisions are issued* " , notified on January 15, 2018 by the World Trade Organization through the document identified with the symbol G / TBT / N / COL / 214 / Add .3, which has been issued by Resolution No. 1770 of May 4, 2018.

The mentioned resolution becomes effective as of the date of its publication, modifies articles 6, 7 and 12 of Resolution 689 of 2016 and repeals its technical annex.

The document is available on the website:
