

Resolution SC No. 3/2018**RESOL-2018-3-APN-SECC # MPYT**

HAVING SEEN the File No. EX-2018-29616459- -APN-DGD # MP, Laws Nros. 22.802 and its modifications, and 24,425, Decree No. 357 dated February 21, 2002 and its modifications, Resolutions Nros. 799 dated October 29, 1999 from the former SECRETARIAT OF INDUSTRY, COMMERCE AND MINING of the former MINISTRY OF ECONOMY AND WORKS AND PUBLIC SERVICES, 237 dated October 23, 2000 of the former SECRETARIAT OF DEFENSE OF THE COMPETITION AND THE CONSUMER OF THE EX-MINISTRY OF ECONOMY, 197 dated December 29, 2004 of the former SECRETARIAT OF TECHNICAL COORDINATION of the former MINISTRY OF ECONOMY AND PRODUCTION and 685 dated December 3, 2015 of the SECRETARIAT OF COMMERCE of the former MINISTRY OF ECONOMY AND PUBLIC FINANCE, Y

CONSIDERING:

That the enactment of Law No. 24,425 imports the approval of the Final Act that includes the results of the Uruguay Round of Multilateral Trade Negotiations, Decisions, Declarations and Ministerial Understandings, and the Marrakesh Agreement for which establishes the WORLD TRADE ORGANIZATION (WTO).

That the aforementioned Agreement contains, in its Annex 1A, the Agreement on Technical Obstacles to Trade, which recognizes that no country should be prevented from adopting the measures necessary to ensure the quality of their exports, national security, protection of the health of people and animals, the protection of the environment, the preservation of the vegetables and the prevention of practices that can be misleading.

That, by virtue of this, it is the function of the NATIONAL STATE to seek to achieve said objectives legitimate through the issuance of technical regulations and their corresponding revisions.

That Article 12 of Law No. 22,802 empowers the SECRETARIAT OF COMMERCE of the MINISTRY OF PRODUCTION AND LABOR, in its capacity as Application Authority, to establish the minimum security requirements that products or services must meet that are not governed by other laws; to determine the place, form and characteristics of the indications to place on the fruits and products that are commercialized in the country or about their containers; and to oblige those who offer services to clearly inform the consumer about its characteristics.

That, for such purposes, it is necessary to approve a Technical Regulation that establishes the requirements quality and safety technicians who must comply with the aluminum flexible pipes used for the packaging of products, which are marketed in the territory of the REPUBLIC ARGENTINA.

That to achieve the objectives of quality and safety is practiced internationally It is recognized to refer to national technical standards such as those developed by the ARGENTINE INSTITUTE OF NORMALIZATION AND CERTIFICATION (IRAM), or those international and regional standards adopted by the ARGENTINE REPUBLIC.

That the certification system by third-party organizations, recognized by the NATIONAL STATE, constitutes a suitable mechanism to verify compliance with said technical standards.

That Resolutions Nros. 799 dated October 29, 1999 of the former SECRETARIAT OF INDUSTRY, TRADE AND MINING of the former MINISTRY OF ECONOMY AND WORKS AND PUBLIC SERVICES and 197 dated December 29, 2004 of the former SECRETARIAT OF

TECHNICAL COORDINATION of the former MINISTRY OF ECONOMY AND PRODUCTION approved the symbols that should be applied in the products reached by the regimes of

Page 2

mandatory certification.

That, in turn, Resolution No. 197/04 of the former SECRETARIAT OF TECHNICAL COORDINATION provides for the certification systems that must be used in order to fulfill the requirements established in the mandatory certification regimes.

It is convenient that the SECRETARIAT FOR INTERNAL TRADE SECRETARIAT OF THE MINISTRY OF PRODUCTION AND LABOR, award recognition for act in the present regime to technical actors who so request and who comply with the current provisions to that effect.

That Resolution No. 237 dated October 23, 2000, of the former SECRETARIAT OF DEFENSE OF COMPETITION AND THE CONSUMER of the former MINISTRY OF ECONOMY, provided that recognized certification bodies may be able to rely for certification of products by conformity mark required in any of the existing regimes, in reports of type tests issued by laboratories belonging to the respective processing plants of the products in question, complying with the conditions there planned.

That only free circulation for internal trade of flexible tubes should be allowed aluminum, also called aluminum knobs, that meet the requirements quality and safety technicians.

That since these requirements are the minimum required to guarantee the safety of the people and the quality of the products, compliance will not exempt those responsible for compliance with the regulations in force in other areas.

That it is convenient to identify the products that have certification, for a Appropriate orientation of consumers, users and marketers.

That by Resolution No. 685 of December 3, 2015 of the SECRETARIAT OF TRADE of the former MINISTRY OF ECONOMY AND PUBLIC FINANCE, the requirement for printed graphic products that are used in the National Territory, of certify that they do not exceed the established limits for the migration of all heavy metals indicated in Table 1 of IRAM Standard NM 300-3, included in the mentioned norm, as the tariff position of the Common Nomenclature of MERCOSUR (NCM) 7612.10, to products identified as printed aluminum flexible tubes.

That, upon reaching the aforementioned products by this measure, remaining protected the safety and quality objectives thereof, it becomes necessary to eliminate of Annex I of Resolution No. 685/15 of the SECRETARIAT OF COMMERCE the position tariff of the MERCOSUR Common Nomenclature (NCM) 7612.10.

That, it is conducive to grant powers of interpretation and implementation of the present measure to the UNDER-SECRETARIAT FOR INTERNAL TRADE, within which the will monitor compliance with it.

That the General Directorate of Legal Affairs of the MINISTRY OF PRODUCTION AND LABOR He has taken the intervention that is his responsibility.

That this measure is issued in exercise of the powers conferred by Law N ° 22.802 and its amendments and by Decree No. 357 dated February 21, 2002 and its modifications.

Thus,

THE SECRETARY OF COMMERCE

RESOLVES:

Page 3

ARTICLE 1.- Approve the Technical Regulations that establish the technical requirements of quality and safety that must be met by the aluminum flexible tubes used for the packaging of products, which are marketed in the territory of the ARGENTINE REPUBLIC.

ARTICLE 2.- The national manufacturers and importers of the products reached by the Article 1 of this measure, must guarantee compliance with the requirements technicians that are detailed in Annex I that, like IF-2018-36335913-APN-DRTYPC # MP, forms an integral part of this resolution, through a product certification granted by a certification body that, for this purpose, is recognized by the SUBSECRETARIAT OF INTERNAL TRADE of the SECRETARIAT OF COMMERCE of the MINISTRY OF PRODUCTION AND WORK, in accordance with the provisions in force.

This certification will be implemented following the procedure established in Annex II which, as IF-2018-36336509-APN-DRTYPC # MP, forms an integral part of this measure.

ARTICLE 3.- The distributors, wholesalers and retailers of the products reached by the Article 1 shall demand from its suppliers the certification established in Article 2, both of this resolution, for which they must have a simple copy of the certificate, in paper or digital format, to be displayed when required.

ARTICLE 4.- With the fulfillment of the requirements foreseen in this measure, the Commercial Loyalty Directorate under the SUBSECRETARIAT OF INTERNAL TRADE of the SECRETARIAT OF COMMERCE of the MINISTRY OF PRODUCTION AND LABOR, will issue a proof of presentation or permission of commercialization, to be exhibited before the General Directorate of Customs, dependent on the FEDERAL ADMINISTRATION OF INCOME PUBLICS, an autarchic entity within the MINISTRY OF FINANCE, for the purposes of the officialization of the dispatch of the products reached by the present regime.

ARTICLE 5°.- The obtained certification does not exempt those responsible for the products of the compliance with current regulations in other areas, or their responsibility for the compliance with the requirements provided for in this measure.

ARTICLE 6.- Grant to the SUBSECRETARIAT OF INTERNAL TRADE to dictate the measures that are necessary in order to interpret, clarify and implement the provisions of the present resolution.

ARTICLE 7.- Infractions to the provisions of this resolution shall be sanctioned in accordance with the provisions of Law No. 22,802 and its amendments.

ARTICLE 8.- Eliminate Resolution No. 685 dated December 3, 2015 from the SECRETARIAT OF COMMERCE of the former MINISTRY OF ECONOMY AND PUBLIC FINANCE products reached by Article 1 of this measure, identified under position of the Common Nomenclature of MERCOSUR (NCM) 7612.10, based on the ONE HUNDRED TWENTY (120) days running from the date of entry into force of this resolution.

ARTICLE 9.- This measure will become effective as of the day following that of its publication in the Official Gazette, and will be implemented according to the deadlines established in the Annex II of the present resolution.

ARTICLE 10.- Communicate, publish, give to the NATIONAL REGISTRY ADDRESS OFFICIAL and archive. Miguel Braun

ANNEX I
TECHNICAL QUALITY AND SAFETY REQUIREMENTS
FOR FLEXIBLE ALUMINUM PIPES
