Organised on 09th June 2017 at Hotel Ramada, Ahmedabad
Time: 02:30 p.m. to 05:00 p.m.**

Council had organised awareness programme on GST in association with Service Tax Commissionerate, Ahmedabad.

The Office of Commissioner of Service Tax, Ahmedabad had nominated Shri Aseem Kumar Vaibhav, IRS, Deputy Commissioner, ServiceTax, Ahmedabad as a Key speaker of this Seminar.

The officer covered important topics such as -Introduction to GST, Overview of GST, Registration, Returns, Refunds, GSTN etc. Total 100 Member Exporters attended this seminar. The session was quite interactive as the member exporters had come prepared with their questions-queries. All the queries were satisfactorily answered by the Deputy Commissioner.

Many members were of a notion that once the GST is implemented, maximum queries will be generated. So, there were request from the members to organize one more Seminar after GST is implemented.

Few members felt that it will smoothen the exports. Suggestions were made to organise seminar on "E-WAY" and "Returns".

The seminar was well appreciated by all our member exporters.
