KEY HIGHLIGHTS OF THE EVENT

As an export promotion activity for the year 2025-2026 Chemexcil organized India Pavilion at 24th CHINA INETRDYE 2025 exhibition during 16th April – 18th April, 2025 at Shanghai World Expo Exhibition and Convention Center, Shanghai, China.

This China Interdye was the 24th iteration of the China International Dye Industry, Pigments, and Textile Chemicals Exhibition, recognized as the largest specialized exhibition in the dye-chem industry globally. It's an annual event that showcases a wide range of products and technologies related to the dye industry, pigments, and textile chemicals.

Chemexcil had the opportunity to visit the Consulate General of India in Shanghai and extend an invitation to visit the India Pavilion at the China Interdye Exhibition. During the meeting, The Director General of Chemexcil, Shri Raghuveer Kini, briefed the Honorable Consul General, Shri Pratik Mathur, about the Chemexcil's active involvement in the China Interdye Exhibition featuring 75 Indian Member Companies showcasing their Dyes and Dye Intermediate products.

The Honorable Consul General raised concerns regarding the declining exports to China and emphasized the necessity of concentrating on high-export products, specifically highlighting castor oil as a potential area for growth.

The Consul General also recommended shifting from individual to collective business strategies to strengthen India's export presence in China. This approach was deemed essential for leveraging collective strengths and enhancing competitiveness in the Chinese market.

The Director General provided insights into various factors contributing to the decline in India's exports to China. These insights highlighted the importance of targeted involvements and proactive measures to address the challenges effectively.

The meeting provided a valuable platform for collaborative exchange of ideas between Chemexcil and the Consulate General of India in Shanghai. The discussions emphasized the need for proactive measures, including the identification of top export products and the development of targeted promotional strategies. Moving forward, the engagement concluded with a shared commitment to nurturing enhanced collaboration and implementing actionable steps to revitalize India's export performance in China.

The Inauguration Ceremony took place on April 16, 2025, at 10:00 AM (Shanghai Time). Dr. Satish Wagh, Vice Chairman & Shri Raghuveer Kini, Director General of Chemexcil were among the distinguished guests, along with other dignitaries.

Later, **Pratik Mathur, Consul General of India, Shanghai** visited the Indian Pavilion and met with participants at their respective stalls. The members-exporters were happy to interact with the visiting dignitaries.

In total 75 Member-Exporters from CHEMEXCIL participated in this Exhibition with total area of 1431 sq mtr in the Hall 1.

Participants in the show had the opportunity to meet various Business delegates from all over the world during the exhibition days.

During the visit, the Consul General encouraged exporters to articulate their vision and provided a platform for them to discuss the hurdles they encounter in China. Emphasis was placed on seeking out untapped potential and maximizing export opportunities.

The participants focused on identifying opportunities to strengthen exports to China. Exhibitors seized the opportunity to share their vision with the Consulate General, highlighting their aspirations and challenges in penetrating the Chinese market.

Various areas were considered to optimize exports, including the importance of retaining market share and conducting detailed HS codes analysis to better understand the trade dynamics. The Consul General underscored China's vast market potential and India's reputation for delivering high-quality products. Discussions revolved around China's strengths in the production of disperse and reactive dyes, as well as its status as a major exporter of garments due to its substantial manufacturing capacity.

Participants were encouraged to explore technological advancements to enhance competitiveness, acknowledging that India faces barriers in technology adoption compared to China. The meeting hence concluded with a shared commitment to overcome challenges and seek for more potential.

The 3 day exhibition witnessed over 18,884 visitors from more than 17 countries and regions exploring - 25,000 sqm of exhibition area – Hall 1 showcased by 650+ exhibitors from around the world.

The exhibition provided an excellent opportunity to the Indian manufacturers/ exporters to showcase their products and interact with the prospective buyers of the dyes and dyestuff industry on a common platform for expansion of their business in the international marketplace.
