

PART C - SUPPORTING MEASURES

Please provide an estimated amount on your country's yearly baseline costs of implementing the Stockholm Convention (expressed in USD) for the period 2026 to 2030.

Baseline costs (USD/year):

Please describe which activities are covered by these baseline costs in your country:

This can include, for example, staff costs, rental fees for buildings hosting entities involved in the implementation of the Convention, recurring costs for materials, transport of training activities, and/or coordination activities with other stakeholders in the country.

Comments

Please use the space provided below to include any comments you may wish to make on this questionnaire, if any:

**Thank you for having filled out Part II of this questionnaire!
Kindly review your answers, if you wish to do so, and submit them once completed.**
