An RRMA Initiative

Welcomes you to our free event Global Regulatory Updates Deadlines and Opportunities for 2025-26

We cordially invite you to attend the "Global Chemicals Regulatory Outlook 2025" event, which is scheduled to be held from February 3, 5 and 6th, 2025, in various cities in the western regions of India.

This event will offer you a unique opportunity to gain a global perspective of effective chemical regulations across Asia and Europe.

Using an interactive format, we will engage in discussions about how businesses can effectively handle and prepare for upcoming chemical regulatory deadlines. Our partnerships with local associations allow us to offer the best expertise in chemical compliance, providing you with a comprehensive understanding of the regulations that govern the chemical industry.

We look forward to meeting you at the event and engaging in discussions about this relevant topic!

Topics

- Welcome Address by RRMA
- Global Regulatory Updates (including Brazil & Ukraine)
- Practical tools for compliance.
- Strategies to Enhance Make-in-India for Chemicals and Allied Sectors
- EU updates with focus on Nanoparticles
- EU Reach Evaluation and Strategy for Substances of Concern: PFAS, EDs, and CMRs

Stay in the loop regarding the changing chemical regulations in Southern, Eastern & Western Asia, Northern & Western Europe, Latin America and Europe. to boost your expertise and stay ahead in the industry.

Dive into discussions with industry experts in our interactive sessions. Get answers to your specific questions and gain insights tailored to your business needs.

Find out what's most important to you and your business when it comes to chemical compliance.
