Chairman's Message

Dear Member-Exporters,Greetings from CHEMEXCIL, Mumbai!

It is with great pride and a sense of responsibility that I present to you the $62^{\rm nd}$ Annual Report of CHEMEXCIL for the year 2024-25. This year has been one of sustained engagement, strategic initiatives, and meaningful achievements - all directed towards our core mission of enhancing India's chemical export competitiveness, expanding market access, and empowering our members to thrive in an evolving global trade environment.

During 2024-25, global chemical trade continued to be influenced by shifting geopolitical dynamics, fluctuating raw material prices, and evolving sustainability norms. Several importing nations tightened regulatory requirements, particularly in the areas of product safety, environmental impact, and carbon footprint. While such changes posed compliance challenges, they also opened up new opportunities for exporters capable of meeting higher standards.

CHEMEXCIL has been at the forefront of guiding our members through these transitions, ensuring that India's chemical exporters remain competitive and respected in the global marketplace.

One of the most significant achievements during the year was the continued financial assistance received under the Market Access Initiative (MAI) Scheme of the Government of India. I am pleased to report that:

- An amount of ₹1,19,58,895 was sanctioned to the Council as reimbursement of 50% of the registration charges incurred by our members under the EU REACH regulation. This has provided much-needed cost relief for exporters seeking to maintain compliance with stringent European Union chemical safety norms.
- Additionally, the Council received ₹76,67,339 towards reimbursement of 50% of registration charges for Agrochemical Products, enabling exporters in this vital sector to remain competitive in overseas markets.

These measures underscore the Government's commitment to supporting the export sector, and CHEMEXCIL's proactive role in ensuring that our members benefit from such schemes. Knowledge Sharing and Industry Outreach

In our continued effort to keep the industry informed and prepared for emerging challenges and opportunities, CHEMEXCIL conducted 43 webinars and 9 physical seminars on a wide range of topics, including compliance updates, market intelligence, trade facilitation, and sustainability trends.

We also convened 61 virtual meetings with members, stakeholders, and government authorities to address specific industry concerns, policy matters, and market development initiatives. These platforms have become vital for quick knowledge dissemination and collaborative problem-solving.

Basic Chemicals, Cosmetics & Dyes Export Promotion Council.

A proud highlight of the year was the CHEMEXCIL 48th Export Award Ceremony for the year 2019-20 & 2020-21, where 101 outstanding exporters from different categories who had shown substantial growth, remarkable performance and contribution to India's chemical exports were felicitated in presence of Smt. Anupriya Patel, Hon'ble Union Minister of State, Minister of Health and Family Welfare & Chemicals and Fertilizers, Government of India as the Chief Guest. These awards not only celebrate individual achievement but also set benchmarks for quality, innovation, and market expansion.

Recognising our top-performing exporters serves as an inspiration for the industry and underscores the role of excellence in sustaining global competitiveness. The awardees represent the diversity, capability, and resilience of Indian exporters across product segments, from dyes and pigments to cosmetics, specialty chemicals, and agrochemicals.

Council has also restarted publishing its Bulletin on bi-monthly basis which is circulated to all its members and is also uploaded on Council's website.

Participation in international exhibitions and trade fairs remained a key focus area for the Council during the year. Our delegations successfully showcased Indian chemical products in prestigious global forums, including:

- o China Interdye 2024 strengthening engagement in the dyestuffs and intermediates sector.
- Coating Expo Vietnam 2024 positioning India as a competitive source for coating and surface treatment products.
- o Chemspec Europe 2024 a high-impact platform for specialty chemicals networking and partnerships.
- o Beauty Istanbul 2024 tapping into the fast-growing global cosmetics and personal care market.
- O Khimia 2024 expanding our footprint in the Russian and CIS markets.

These participations not only enabled our members to connect with global buyers but also projected India as a reliable and quality-driven supplier in the international chemical value chain.

During the year 2024–25, the Council actively made several representations to the Government on key policy matters and trade facilitation issues. These included requests for:

- Enhancement of MAI funding for overseas trade promotion activities of the Council.
- Reinstatement of the earlier MAI criteria for statutory product registration and claim reimbursement.
- Addressing the issue of Inverted Duty Structure on Oleochemicals under ASEAN FTA.
- **Revision of RoDTEP rates** for Chemicals from 0.7% to 2.3% to improve export competitiveness.
- Inclusion of additional **Chemical tariff lines (Chapters 28 & 29)** under the scheme for Merchant and Large-Scale Manufacturer Exporters.
- Support in tackling **regulatory challenges and barriers**, streamlining of **environmental clearance issues**, and resolution of **system glitches in ICEGATE interface**.
- Addressing exporters' concerns regarding **non-reflection of shipping bill details in bank statements**.
- Continuation of the **Interest Equalization Scheme**.
- Extension of the PLI Scheme benefits to the chemical sector.

In addition, the Council has also taken up several industry-specific issues, such as:

- Permission for **change in product mix**.
- **Green space reservation norms** and delays in construction approvals prior to Environmental Clearance (EC).

- Establishment of **low-cost testing laboratories** to support exporters.
- Proposal for creating an **India REACH regulation**, on the lines of the EU REACH, to introduce a comprehensive Indian Chemical Regulation framework.
- Addressing difficulties faced in **renewing AEO certification**.

Our Vision for the Future

"To position India as a global leader in the chemical sector by fostering innovation, ensuring sustainable practices, and enabling our exporters to access every significant market of the world with confidence and competitiveness."

Our vision is rooted in the belief that global trade success depends on innovation, adaptability, and compliance with the highest standards. CHEMEXCIL aims to:

- Support exporters in adopting cutting-edge technology and sustainable production methods.
- Facilitate market diversification and reduce dependence on a limited set of geographies.
- Strengthen collaboration with global industry associations for knowledge and opportunity sharing.
- Drive policy advocacy to create a business-friendly ecosystem for chemical exporters.

I extend my sincere gratitude to the Ministry of Commerce & Industry, Government of India, for its continued guidance and support. I also wish to thank our Committee of Administration, all our member-exporters, and the dedicated CHEMEXCIL Secretariat for their unwavering commitment and contribution.

As we look ahead, I am confident that, with collective effort, strategic vision, and adaptability, CHEMEXCIL will continue to play a pivotal role in expanding India's chemical exports, contributing to the "Viksit Bharat @ 2047" vision, and strengthening our country's position in the global economy.

Let us move forward with renewed determination, embracing both challenges and opportunities, and ensuring that the Indian chemical industry continues to shine brightly on the world stage.

With warm regards,

Dr. Satish W. WaghChairman, CHEMEXCIL

Some of the major points discussed/decisions taken in the 4 CoA meetings for 2024-25 are list below:

During the year 2024–25, the Committee of Administration (CoA) convened four meetings to deliberate on critical issues impacting the chemical export industry, address members' concerns, and chart strategic directions for growth. The key points discussed and decisions taken are summarised below:

1. Resource Challenges – The industry continues to face water scarcity, with priority given to human consumption. Power curtailments in regions such as Lote Parshuram and Chiplun (Maharashtra) to accommodate water supply needs have also hampered industrial operations.

2. Export-Related Issues –

- a. Persistent challenges in exports to Iran.
- b. Severe shortage of shipping containers.
- c. Inland Haulage Charges (IHC) by shipping lines have escalated significantly, particularly affecting exports through ICDs.
- d. Despite AEO Tier 1/2 status, containers continue to be opened at ports, resulting in higher detention and demurrage costs.
- **3.** Panel Performance The Cosmetics Panel has shown steady growth of 4–5% annually for the past two years.

4. Market Dynamics -

- a. The Red Sea crisis created supply-chain disruptions, leading to increased inventory in destination countries and affecting export flows.
- b. A decline in dye intermediates exports indicates increased domestic conversion into value-added products-a positive development for the Dyestuff sector.

5. Government Notifications & Representations -

- a. CHEMEXCIL represented industry concerns to the Department of Commerce regarding the DCPC Gazette dated 29.02.2024.
- b. Inputs were provided to the Department of Chemicals & Petrochemicals on DGFT Notification No. 69/2023, supporting duty-free imports under the Advance Authorisation scheme for QCO-bound products.
- c. Multiple submissions were made to NITI Aayog, the Board of Trade, and other government bodies on key matters such as environmental clearances, R&D incentives, MAI funding, RoDTEP corrections, PLI inclusion, inverted duty structures, and lab infrastructure development.
- **6.** China Competition in Agrochemicals China offers ~21% export subsidies (informal), lower pricing, and extended credit terms of up to one year-posing competitive pressures on Indian exporters.

- 7. Licensing and Regulatory Issues Representations were made to the Hon'ble CIM highlighting:
 - a. Incentives for R&D of new chemical molecules.
 - b. Streamlining environmental clearance processes (e.g., deemed approvals within 90–120 days, uniform EC norms across states, flexibility in product mix changes).
 - c. Relaxation of green space reservation norms and pre-EC construction approvals.
 - d. Revision of MAI subsidies for statutory compliance reimbursements.
 - e. Shift of Cosmetics HS codes to AYUSHEXCIL, corrections in RoDTEP, and introduction of TMA for chemicals.

8. Infrastructure & Operational Needs -

- a. Modernisation of CETPs and creation of designated zones for chemical industries.
- b. Development of plug-and-play industrial parks with shared utilities, following global best practices.
- c. Establishment of bulk chemical storage tanks near sea ports.
- d. Addressing monopolistic practices in supply chains (e.g., industrial gas supply).

9. Trade Policy & Regulations -

- a. Government's introduction of BIS-QCOs as non-tariff barriers, aligned with global precedents (REACH, Korea, Taiwan, Japan).
- b. Need to address challenges under the rupee–ruble trade mechanism.
- c. Monitoring emerging regulations such as the EU's Eco-design for Sustainable Products Regulation (ESPR) covering chemicals.
- **10. Vision 2047 Initiative** The Hon'ble CIM urged EPCs to prepare Vision Documents outlining sector-specific goals, challenges, and strategies. CoA members were requested to submit panelwise inputs, with the Council tasked to consolidate and publish a comprehensive Vision 2047 report in collaboration with industry leaders.

EXPORT PROMOTIONAL ACTIVITIES DURING 2024-25

REACH:

The Department of Commerce sanctioned **Rs 1,19,58,895**/- under the MAI Scheme of Govt of India to the Council towards reimbursement of 50% registration charges incurred by **8 member-exporters** who have registered their **8 substances** under the **EU REACH regulation**.

Registration of Agro Chemicals Products in Buyer Country:

The Department of Commerce sanctioned **Rs 76,67,339**/- under the MAI Scheme of Govt of India to the Council towards reimbursement of 50% registration charges incurred by **7 member-exporters** for registration of their **7 Agrochemical Products** in the buyer country.

Licensing:

The Council had received several representations from member-exporters on various issues pertaining to DoC, DGFT, DCPC, Customs, etc.

Overseas Trade Dispute:

The Council received representations from exporters on overseas trade disputes related to delay in exports payment, supply of sub-standard materials etc. As a follow-up action, letters were sent to Indian Missions abroad for intervention.

Information to Members:

The Council disseminated information to member-exporters pertaining to various government notifications. Information received were also passed on to the members as well as uploaded on website.

Non-Preferential Certificate of Origin:

A number of Member-Exporters are approaching the Council requesting for issuance of Certificates of Origin (Non-preferential) and attestations connected with documents like Export Invoice, etc. in respect of their products exported by them to various overseas countries. The Council scrutinizes the said documents received from them and issues certificates accordingly.

During this year, 1825 Certificates of Origin (Non-preferential) were issued to the member exporters.

Visa Recommendation Letters:

A number of applications are being received by the Council from the Member-Exporters from time to time requesting for recommendation letters to various foreign missions in India for issuance of Visa in favour of their officials as also Officers of the Council for their visit abroad in connection with export promotional activities.

FINANCIAL STATEMENTS FOR YEAR ENDED MARCH 31, 2025

INDEPENDENT AUDITOR'S REPORT

To the Members of

Basic Chemicals, Cosmetics & Dyes Export Promotion Council (Limited by Guarantee)

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of Basic Chemicals, Cosmetics & Dyes Export Promotion Council (hereinafter referred as the "Council"), which comprise the Balance Sheet as at 31st March 2025, the statement of Income and Expenditure for the year then ended and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Accounting Standards prescribed under Section 133 of the Act read with Companies (Accounting Standards) Rules, 2021 ("AS"), as amended and other accounting principles generally accepted in India, of the state of affairs of Council as at 31st March, 2025, and its surplus for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* Section of our report. We are independent of Council in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the financial statements.

Information Other than the Financial Statements and Auditor's report thereon

Council's Committee of Administration is responsible for the preparation of other information. The Other information comprises the information like Export promotional activities, activities of head office and regional offices etc., but does not include the financial statement and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Council's Committee of Administration is responsible for the matters stated in Section 134(5) of the Act, with respect to the preparation of these financial statements that give a true and fair view of the financial position and income and expenditure of Council in accordance with AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of Council and for preventing and detecting frauds and other

irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Committee of Administration is responsible for assessing Council's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Committee of Administration either intends to liquidate Council or to cease activities, or has no realistic alternative but to do so.

Those Committee of Administration are also responsible for overseeing Council's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on Council's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause Council to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that individually or in aggregate makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) Planning the scope of our audit work and in evaluating the results of our work and (ii) To evaluate the effect of an identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Basic Chemicals, Cosmetics & Dyes Export Promotion Council.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

- 1. Council is registered under Section 25 of the Companies Act, 1956 (now corresponding to Section 8 of the Companies Act, 2013) and the provisions of Companies (Auditor's Report) Order, 2016 is not applicable to the Council. We are, therefore, not required to report on Paragraph 3 and 4 of Companies (Auditor's Report) Order, 2016.
- 2. As required by Section 143(3) of the Act, we are required to report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by Council so far as it appears from our examination of those books.
 - (c) The Balance Sheet and the statement of Income and Expenditure, dealt with by this Report are in agreement with the books of account.
 - (d) In our opinion, the aforesaid financial statements comply with the Accounting Standards ("AS") specified under Section 133 of the Act, read with Companies (Accounting Standards) Rules, 2021.
 - (e) On the basis of the written representations received from the directors as on 31st March, 2025 and taken on records by the Board of Directors, none of the directors is disqualified as on 31st March, 2025 from being appointed as a Director in terms of Section 164(2) of the Act.
 - (f) With respect to the adequacy of internal financial controls over financial reporting of the Council and operating effectiveness of such controls, refer to our separate report in "Annexure A"
 - (g) In our opinion, Section 197(16) of the Act in respect of remuneration payable to its directors as provided under Section 197(16) of the Act is not applicable to the Council as it is registered under Section 25 of the Companies Act, 1956.
 - (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. Council has disclosed the impact of pending litigations on its financial statements (Refer Note 21.2 to the financial statements).
 - ii. Council did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by Council.
- (i) Based on our examination which included test checks, the Company has used accounting software for maintaining its books of account for the year ended March 31,2025, which has a feature of recording audit trail (edit log) facility and the same were operated throughout the year for all relevant transactions recorded in the software except that,

62nd Annual Report 2024-25

audit trail feature is not enabled for direct changes to data in the underlying database. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with in respect of accounting software for which the audit trail feature was operating (Refer Note 21.18 to the financial statements).

As proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 is applicable from April 1, 2023, reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 on preservation of audit trail as per the statutory requirements for record retention is not applicable for the financial year ended March 31, 2025.

Annexure - "A"

Auditors' Report on the Internal Financial Controls under Clause (i) of Sub-Section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **Basic Chemicals**, **Cosmetics and Dyes Export Promotion Council** ("the Council") as of 31st March, 2025 in conjunction with our audit of the financial statements of the Council for the year ended on that date

Management's Responsibility for Internal Financial Controls

The Council's Committee of Administration is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Council considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Council's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Council's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing deemed to be prescribed under Section 143(10) of the Act to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Council's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

Council's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Council's internal financial control over financial reporting includes those policies and procedures that:

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Council;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Council are being made only in accordance with authorisations of management and directors of the Council;

- (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Council's assets that could have a material effect on the financial statements; and
- (4) also provide us reasonable assurance by the internal auditors through their internal audit reports given to the Council from time to time.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Council has broadly, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2025, based on the internal control over financial reporting criteria established by the Council considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI except to have the Information Systems Audit to ensure security, authenticity etc. of the various data, documents and records maintained by the Council. Council's Information:

Basic Chemicals, Cosmetics & Dyes Export Promotion Council popularly known as CHEMEXCIL (hereinafter referred as the "Council") is set up by the Ministry of Commerce & Industry Government of India in the year 1963 with the objective of promoting exports of the Dyes and Dye Intermediates, Basic Inorganic & Organic Chemicals, including Agrochemicals, Cosmetics, Soaps, Toiletries & Essential Oils, Specialty Chemicals, Lubricants and Castor oil. The Council has been registered as a Company under the provisions of the 'Companies Act, 1956 (hereinafter called as the "Act"). By virtue of the license granted to the Council by the Central Government under Section 25 (now governed by Section 8 of the Companies Act 2013) of the 'Act' the word "LIMITED" is not required to be suffixed to its name. The Council is registered as a public charitable trust under Section 12AA of Income Tax Act, 1961 and accordingly liable for taxation as per provisions applicable to charitable trusts viz. Sections 11, 12 and 13 of the Income Tax Act, 1961 as amended from time to time.

1. <u>Material Accounting Policies:</u>

1.1 General:

- a) The financial statements are prepared on the basis of historical cost convention, in accordance with applicable accounting standards and on the principle of a going concern.
- b) All income and expenses to the extent considered receivable and payable, respectively with reasonable certainty are accounted for on accrual basis.
- c) Membership subscription which remains unpaid as at the close of the year is not accounted for except the amount actually received out of such unpaid subscriptions one month prior to the approval of the financial statements by the Committee of Administration.
- d) Entrance Fees receipts are credited to General Reserve.

1.2 Use of Estimates:

The preparation of financial statements is in conformity with Generally Accepted Accounting Principles (GAAP). It requires Committee of Administration to make estimates and assumptions that affects the reported amounts of assets and liabilities and the disclosure of contingent liabilities on the date of financial statements and reported amounts of revenue and expenses for that year. Actual results could differ from these estimates. Any revision to accounting estimates is recognized prospectively.

1.3 Property, Plant and Equipment:

Property, Plant and Equipment are stated at cost of acquisition less accumulated depreciation/amortization without any adjustment for Government Grant received, if any, for their purchase.

1.4 Depreciation/Amortization and Impairment:

Depreciation on Property, Plant and Equipment is provided on written down value method at the useful life specified in Schedule II to the Companies Act, 2013 (hereinafter referred to as the 'Act').

Depreciation methods, useful lives and residual values are reviewed periodically, including at each financial year end.

a. Impairment of Assets:

i. The Council assesses the carrying amount of assets at each Balance Sheet date to determine whether there is any indication of impairment. If such indication exists, the Council estimates

the recoverable amount of the assets. The recoverable amount is estimated as the higher of the net realizable value and the value in use with an impairment loss being recognized whenever the carrying amount exceeds the recoverable amount.

ii. A previously recognized impairment loss on assets is reversed if there has been a change in the estimates used to determine the recoverable amount, however not to the extent higher than the carrying amount that would have been determined had no impairment loss been recognized in prior years.

1.5 Revenue Recognition:

a) Contribution from Members:

Contributions receivable from Members for participation in Exhibition, Delegation, Seminar Fees, REACH processing Fees are recognized as income as and when the respective activities are completed.

b) Government Grants:

Grants from Government are credited to Income and Expenditure Account on receipt basis as it is not possible to ascertain, the quantum of Grant due & receivable from/refundable to the Ministry of Commerce and Industry with reasonable certainty/accuracy.

1.6 Transaction in Foreign Currency:

Transactions in foreign currency are recorded at the rate of exchange in force at the time of occurrence of the transaction.

Monetary - Current assets and current liabilities in foreign currency at the year-end are stated at the rate of exchange in force as on that date and the resultant gain / (loss) is recognized in the Income and Expenditure Account.

1.7 Employee Benefits:

- Contribution for Provident Fund (based on a certain percentage of salary) is funded into an approved
 Trust
- b) Gratuity is charged to Income and Expenditure Account on the basis of actuarial valuation as at the year end and funded into an approved Trust.
- c) Leave Entitlement Benefits are provided for on the basis of actuarial valuation as at the year end.

1.8 Provision and Contingent Liabilities:

- a) Provisions are recognized for liabilities that can be measured only by using a substantial degree of estimation, if
- a. The Council has a present obligation as a result of a past event;
- b. A probable outflow of resources is expected to settle the obligation; and
- c. The amount of the obligation can be reliably estimated.
- b) Where some or all of the expenditure required to settle a provision is expected to be reimbursed by another party, such reimbursement is recognized to the extent of provision or contingent liability as the case may be, only when it is virtually certain that the reimbursement will be received.
- c) Contingent liability, if material, is disclosed in the case of:
 - a. A present obligation arising from a past event, when it is not probable that an outflow of resources will be required to settle the obligation.
 - b. A possible obligation, unless the probability of outflow of resources is remote.

21. Notes to Financial Statements:

- 21.1 a) With regards to premises at Jhansi Castle, the Structural Audit carried out by M/s. V.J. Joshi & Associates and as per their report dated 26th April, 2017, "The building is more than 70 years old and general overall observation indicates that the building is substantially deteriorated at many places and if urgent repairs are not done, it may lead to fatal accidents." Therefore, the Structural Audit should be done more frequently for Mumbai Office premises, The Council is occupying premises at 4th floor (as sub tenant to Indian Trade Promotion Organization (ITPO) and 5th floor (as statutory tenant) of the aforesaid Jhansi Castle since 1971. Ref. Note No. 7 Property, Plant and Equipment
 - b) The Council has made settlement with Prakriti Trading Company with regard to the arrears of rent for 5th floor of the aforesaid Jhansi Castle and has made the settlement amount which Council is paying rent of Rs.0.20 Lakhs per month regularly from 01-01-2020 based on the settlement.
- 21.2 Contingent Liabilities not provided for in respect of:

Service Tax Liability for earlier year in terms of the Show Cause Notice dated 20/04/2013 for Rs.262.12 Lakhs (including interest up to the date of demand) was decided in favour of the Council by the Principal Commissioner CGST & C Ex Mumbai by his Order dated 15-03-2021. However, as CGST department has preferred an appeal against this order in the Hon'ble Tribunal, the Council continues to show it as a contingent liability.

The Council has reviewed all its pending litigations and proceedings and has made adequate provisions, wherever required and disclosed the contingent liabilities, wherever applicable, in its financial statements.

21.3 The expenses in respect of code-activities are subject to sanction / confirmation of the Government of India and Grant-in-aid received from the Ministry of Commerce and Industry is subject to adjustments as may be necessary in view of any Government Audit observations, non/partial fulfillment of certain conditions, if any as may be observed by them for eligibility of such Grant-in-aid, clarifications by the Council and final decision of the Ministry.
