Chairman's Message

Dear Member-Exporters,

It gives me immense pleasure to present the Annual Report of CHEMEXCIL for the financial year 2025–26. The year has been one of resilience, adaptation and renewed optimism for India's chemical and allied products export sector. Despite persistent geopolitical tensions, supply chain realignments, inflationary pressures, and evolving regulatory requirements across global markets, Indian exporters have demonstrated remarkable agility and competitiveness, reaffirming India's position as a reliable partner in the global chemical value chain.

During FY 2025–26, exports of products under CHEMEXCIL's purview reached **USD 20.55 billion**, reflecting the inherent strength of India's chemical industry despite challenging international market conditions. Among the major product groups, **Organic Chemicals** accounted for exports of **USD 7.68 billion**, followed by **Agro Chemicals** at **USD 3.87 billion**, **Cosmetics, Toiletries & Essential Oils** at **USD 3.07 billion**, **Inorganic Chemicals** at **USD 2.41 billion**, **Dyes & Dye Intermediates** at **USD 2.38 billion**, and **Castor Oil** at **USD 1.15 billion**. It is particularly encouraging that **Inorganic Chemicals** registered a growth of **5.97%**, while **Essential Oils** recorded a growth of **3.67%**, demonstrating the resilience and growing global acceptance of several Indian product segments. While some sectors experienced moderation owing to subdued global demand and economic uncertainties, the long-term fundamentals of the Indian chemical industry remain exceptionally strong.

Throughout the year, CHEMEXCIL continued to serve as a catalyst for export growth by promoting Indian products across international markets, facilitating business opportunities as China Interdye, and representing the interests of exporters before various Government authorities. The Council actively engaged with the Ministry of Commerce & Industry, DGFT, DPIIT, BIS, Customs authorities and other stakeholders on critical policy matters including enhancement of RoDTEP benefits, Quality Control Orders (QCOs), BIS certification, GST issues, logistics challenges, export facilitation measures and strengthening the competitiveness of MSMEs. Our sustained policy advocacy resulted in several positive interventions that will contribute significantly to improving the ease of doing business for the industry.

Trade promotion remained one of our foremost priorities. During the year, CHEMEXCIL successfully organized and participated in leading international exhibitions, trade fairs, buyer-seller meets and business delegations, including prestigious events such as **China Interdye, Chemspec Europe** and **Coating Vietnam**. These initiatives enabled Indian exporters to establish new business partnerships, diversify markets and showcase the technological capabilities and manufacturing excellence of the Indian chemical industry before a global audience.

The year also witnessed significant progress in India's engagement through Free Trade Agreements, particularly with the United Kingdom and other strategic trading partners. These agreements are expected to improve market access, reduce tariff barriers, simplify customs procedures and create new opportunities for Indian exporters. CHEMEXCIL remains committed to helping members leverage these opportunities through continuous dissemination of market intelligence, advisory services and awareness programmes.

As global trade becomes increasingly compliance-driven, the Council intensified its efforts towards capacity building by organizing numerous seminars, workshops and webinars covering international regulations, REACH compliance, SCOMET provisions, BIS requirements, export documentation, FEMA, RBI guidelines, AEO certification and other emerging regulatory issues. These initiatives have strengthened exporters' preparedness to meet evolving international standards and enhance their global competitiveness.

Digital transformation continued to remain a major focus area for the Council. The strengthening of the CHEMINDIA Portal has improved member engagement, data management, dissemination of trade information and delivery of Council services. Simultaneously, CHEMEXCIL has continued to encourage the adoption of sustainable manufacturing practices, green chemistry and environmentally responsible production processes, recognizing that sustainability has become an essential pillar of long-term global competitiveness.

Supporting MSMEs, first-generation exporters and emerging entrepreneurs continues to be central to the Council's vision. Through export awareness programmes, market intelligence, skill development initiatives and international networking opportunities, CHEMEXCIL remains committed to creating an inclusive ecosystem that enables enterprises of every scale to participate in India's export growth journey.

Looking ahead, India's chemical industry is poised to emerge as one of the world's preferred manufacturing and sourcing destinations. Government initiatives such as **Make in India**, **Atmanirbhar Bharat**, Production Linked Incentive (PLI) Schemes, infrastructure development, logistics modernization and expanding Free Trade Agreements provide a strong foundation for sustained export growth. CHEMEXCIL will continue to work closely with all stakeholders to facilitate trade, advocate progressive policies, strengthen compliance capabilities and promote innovation, thereby contributing to India's aspiration of becoming a global manufacturing powerhouse and a developed nation under the vision of **Viksit Bharat 2047**.

I extend my sincere appreciation to the Government of India, our member-exporters, industry partners, overseas buyers and the dedicated Secretariat of CHEMEXCIL for their unwavering support and commitment throughout the year. It is through our collective efforts that the Council continues to strengthen India's position in the global chemical value chain.

Together, let us move forward with confidence, innovation and a shared commitment to excellence as we build a globally competitive, sustainable and future-ready chemical export industry for India.

With warm regards,
Dr. Satish W. Wagh

Executitve Director's Message

Dear Members,

The financial year 2025–26 has been a year of purposeful action and sustained engagement for CHEMEXCIL. Against the backdrop of a rapidly evolving global trade environment, the Council remained steadfast in its commitment to facilitating exports, strengthening member services and enhancing the global competitiveness of India's chemical and allied products sector.

India's chemical exports continued to demonstrate resilience despite global economic uncertainties, geopolitical developments and changing regulatory landscapes. Exports under CHEMEXCIL's purview reached USD 20.55 billion during the year, reflecting the sector's significant contribution to India's merchandise exports The encouraging growth registered by Inorganic Chemicals and Essential Oils reflects the increasing competitiveness of Indian manufacturers in specialized product segments.

Throughout the year, CHEMEXCIL focused on delivering tangible value to its members through an extensive range of trade promotion, export facilitation and capacity-building initiatives. The Council organized and participated in several prestigious international exhibitions, buyer-seller meets, trade delegations and virtual business interactions, creating meaningful opportunities for Indian exporters to expand their global footprint. These initiatives not only facilitated business generation but also strengthened India's image as a dependable sourcing destination for quality chemical products.

Policy advocacy remained a key area of engagement. CHEMEXCIL actively represented exporters' concerns on RoDTEP, QCOs, BIS certification, GST, logistics and export procedures. Through regular engagement with the Ministry of Commerce & Industry, DGFT, DPIIT, BIS, Customs and other Government agencies, the Council continued to facilitate policy dialogue and resolution of industry issues.

Recognizing the increasing importance of regulatory compliance in international trade, CHEMEXCIL organized a series of seminars, workshops and webinars on subjects including REACH regulations, SCOMET controls, export documentation, BIS standards, FEMA, RBI guidelines, AEO certification and emerging global regulatory requirements. These programmes enabled exporters to strengthen compliance frameworks, mitigate business risks and improve operational efficiency.

Digital transformation remained an important focus during the year. The continued implementation of the CHEMINDIA Portal has enhanced data management, improved communication with members and facilitated more efficient delivery of Council services. The digital platform is expected to play an increasingly important role in supporting policy formulation, market intelligence and member outreach in the years ahead.

The Council also intensified its efforts to support MSMEs and emerging exporters through focused awareness programmes, market intelligence, advisory services and export promotion activities. By strengthening the capabilities of smaller enterprises, CHEMEXCIL seeks to broaden India's export base and ensure inclusive growth across the sector.

As sustainability becomes an integral part of global trade, the Council continued to promote responsible manufacturing practices, green chemistry and compliance with international environmental standards. Exporters are increasingly recognizing that sustainable production is not merely a regulatory requirement but a strategic business advantage in accessing premium global markets.

The year also witnessed important developments in India's trade engagement with key partner countries through Free Trade Agreements. CHEMEXCIL actively disseminated information on emerging opportunities under these agreements and organized awareness programmes to help exporters understand the benefits of preferential market access, reduced tariffs and evolving trade provisions.

Looking ahead, the Council will continue to strengthen its role as a facilitator of exports by expanding market access initiatives, enhancing policy advocacy, promoting digital transformation, supporting innovation and encouraging greater participation of MSMEs in international trade. Our priorities will remain focused on improving member services, strengthening institutional capabilities and creating an enabling environment that allows Indian exporters to compete successfully in global markets.

I place on record my sincere appreciation to the Chairman, the Committee of Administration, the Ministry of Commerce & Industry, Government agencies, our members, partner organizations and the dedicated officers and staff of CHEMEXCIL for their continued guidance, support and cooperation. Their collective efforts have enabled the Council to effectively serve the industry and respond proactively to emerging opportunities and challenges.

With continued collaboration, innovation and commitment, I am confident that CHEMEXCIL will further strengthen its contribution towards enhancing India's global trade presence and realizing the nation's vision of becoming a leading manufacturing and export hub.

Best regards,

Vishal S. Ganju
Executive Director
CHEMEXCIL

Some of the major points discussed/decisions taken in the 4 CoA meetings for 2025-26 are list below:

1. Competitive Pricing & PLI Scheme

- Concerns were raised regarding competitive pricing and increasing imports of Dye Intermediates.
- The Council has been actively pursuing the inclusion of chemicals under the PLI Scheme.
- It was suggested that the broad category of "chemicals" be narrowed to specific priority chemicals with clear justification.

2. HS Code Changes & Customs Issues

- Recent changes in HS Codes effective have created difficulties in customs approvals.
- Subsequent changes proposed for implementation were not reflected simultaneously in GST systems.

3. Domestic Manufacturing & Investment

- The need to promote domestic manufacturing of select chemicals was emphasized.
- Long-standing issues relating to environmental clearances and regulatory requirements need to be addressed to attract investment.
- Environmental clearances were suggested to be considered based on pollution load rather than individual products.
- Such an approach would provide manufacturers greater flexibility to change products within permissible pollution/discharge limits.

4. Trade Data & Policy Advocacy

- The Council has undertaken detailed statistical analysis of tariff changes and trade diversion across regions.
- Comprehensive data has been compiled covering approximately 1,200 HS Code items and exemptions under the Trump tariffs.

5. Power Costs & Industrial Competitiveness

- Differences in power demand charges across States, particularly Maharashtra, were highlighted.
- High power costs are adversely affecting the international competitiveness of Indian chemical manufacturers/exporters.
- Water availability and environmental constraints were also identified as important factors affecting competitiveness.
- Concerns were raised regarding increasing groundwater charges, including charges imposed by CGWA in Gujarat.

6. Pre-Budget Recommendations

- The Council sought pre-budget suggestions from members.
- Key areas include:

    - o Inverted duty structures
    - o Reduction of documentation
    - o Simplification of import approval procedures
- A debit-credit mechanism linked to IEC numbers was suggested to avoid obtaining fresh approvals for every consignment within an approved limit.

7. Market Competition & Pricing

- Rising sulphur prices were viewed in the context of a market-driven/free-price economy.
- The need to address monopolistic structures and promote fair competition was emphasized.
- Equitable market conditions are important for sustainable industry growth.

8. Training & Seminar Modules

- Suggested training areas include:
    - o Technical Sustainability
    - o Environment
    - o Health & Safety
    - o Carbon Border Adjustment Mechanism (CBAM)

Export Facilitation & Trade Support during the year 2025-26 (is the title so mark in blue)

Licesing:

The Council had received several representations from member-exporters on various issues pertaining to DoC, DGFT, DCPC, Customs, etc.

Overseas Trade Dispute:

The Council received representations from exporters on overseas trade disputes related to delay in exports payment, supply of sub-standard materials etc. As a follow-up action, letters were sent to Indian Missions abroad for intervention.

Information to Members:

The Council disseminated information to member-exporters pertaining to various government notifications. Information received were also passed on to the members as well as uploaded on website.

Non-Preferential Certificate of Origin:

A number of Member-Exporters are approaching the Council requesting for issuance of Certificates of Origin (Non-preferential) and attestations connected with documents like Export Invoice, etc. in respect of their products exported by them to various overseas countries. The Council scrutinizes the said documents received from them and issues certificates accordingly. During this year, 1627 Certificates of Origin (Non-preferential) were issued to the member exporters.

Visa Recommendation Letters:

A number of applications are being received by the Council from the Member-Exporters from time to time requesting for recommendation letters to various foreign missions in India for issuance of Visa in favour of their officials as also Officers of the Council for their visit abroad in connection with export promotional activities.

Their applications are being scrutinized by the Council and Recommendation letters are issued to them accordingly. During the year 2025-26 under review, 120 Recommendation letters for Visa were issued by the Council to various Foreign Missions in India in favour of our member-exporters as well as Officers of the Council.

Export Performance Certificate:

The Council issues Export Performance Certificates to member-exporters upon request. These certificates facilitate eligible member-exporters in availing exemption from furnishing Bank Guarantee for imports under the Advance Authorisation/DFIA/EPCG Schemes, subject to fulfilment of the applicable conditions prescribed by the competent authorities.

Basic Chemicals, Cosmetics & Dyes Export Promotion Council (CHEMEXCIL) & Central Bureau of Narcotics (CBN) India has signed Memorandum of Understanding on 28th April 2025 at Central Bureau of Narcotics, Gwalior.

The MOU was signed by Dr. Satish Wagh, Vice-Chairman (then; now Chairman) CHEMEXCIL and Shri Brijendra Choudhary, Deputy Narcotics Commissioner.

The purpose of this Memorandum of Understanding is to formalize the partnership between the Government of India and BASIC CHEMICALS, COSMETICS & DYES EXPORT PROMOTION COUNCIL (CHEMEXCIL). The signing parties will work in collaboration to ensure, to the best of their abilities and possibilities that chemicals used in the manufacture of illicit drugs are not diverted from licit trade.

The Government seeks to prevent the manufacture and consumption of illicit drugs - and thereby to protect the population from their destructive effects. At the same time, the Government acknowledges that the chemicals used in manufacture of illicit drugs play an important role in numerous licit industrial processes that contribute significantly to the national economy, health and well-being of the population.

Through this partnership, the Government intends to collaborate with the members of CHEMEXCIL whose business involves the manufacture, sale, storage, distribution or consumption of chemicals which have a potential of misuse for manufacture of illicit drugs.

The partnership is voluntary and will be based on an agreed assessment process to be conducted as a part of any and all transactions involving chemicals which have a potential of misuse for manufacture of illicit drugs.

The partnership will rely in large part on the market knowledge, the experience and the integrity of CHEMEXCIL in dissemination of relevant information including information provided by CBN in this regard, creating awareness through various means like webinars, publications, workshops, interactive sessions etc., and enabling interaction with the Government.

With this the Government will take all measures possible to ensure that chemical industry under the aegis of CHEMEXCIL will experience no disadvantage to its trade through this cooperation. The Government will assess sales information provided by the members of CHEMEXCIL and communicate in a timely manner so as to minimize possible inconvenience to the business operations of chemical industry under the aegis of CHEMEXCIL.

The Government would hold periodic workshops and training webinars to sensitive CHEMEXCIL members on the chemicals which have a potential of diversion for manufacture of illicit drugs.

CHEMEXCIL agrees to cooperate with the Government in publishing the VCC, for the chemicals which have a potential for misuse on its website and also widely circulate the same to all its members.

FINANCIAL STATEMENETS FOR THE YEAR ENDED 31ST MARCH, 2026

INDEPENDENT AUDITOR'S REPORT

To the Members of

Basic Chemicals, Cosmetics & Dyes Export Promotion Council
(Limited by Guarantee)

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of Basic Chemicals, Cosmetics & Dyes Export Promotion Council (hereinafter referred as the "Council"), which comprise the Balance Sheet as at 31st March 2026, the statement of Income and Expenditure for the year then ended and notes to the financial statements, including a summary of material accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Accounting Standards prescribed under Section 133 of the Act read with Companies (Accounting Standards) Rules, 2021 ("AS"), as amended and other accounting principles generally accepted in India, of the state of affairs of Council as at 31st March, 2026, and its surplus for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements Section of our report. We are independent of Council in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the financial statements.

Information Other than the Financial Statements and Auditor's report thereon

Council's Committee of Administration is responsible for the preparation of other information. The Other information comprises the information like Export promotional activities, activities of head office and regional offices etc., but does not include the financial statement and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Council's Committee of Administration is responsible for the matters stated in Section 134(5) of the Act, with respect to the preparation of these financial statements that give a true and fair view of the financial position and income and expenditure of Council in accordance with AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of Council and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Committee of Administration is responsible for assessing Council's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Committee of Administration either intends to liquidate Council or to cease activities, or has no realistic alternative but to do so.

Those Committee of Administration are also responsible for overseeing Council's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on Council's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause Council to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that individually or in aggregate makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) Planning the scope of our audit work and in evaluating the results of our work and (ii) To evaluate the effect of an identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit..

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. Council is registered under Section 25 of the Companies Act, 1956 (now corresponding to Section 8 of the Companies Act, 2013) and the provisions of Companies (Auditor's Report) Order, 2016 is not applicable to the Council. We are, therefore, not required to report on Paragraph 3 and 4 of Companies (Auditor's Report) Order, 2016.

2. As required by Section 143(3) of the Act, we are required to report that:

   (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

   (b) In our opinion, proper books of account as required by law have been kept by Council so far as it appears from our examination of those books.

   (c) The Balance Sheet and the statement of Income and Expenditure, dealt with by this Report are in agreement with the books of accounts.

   (d) In our opinion, the aforesaid financial statements comply with the Accounting Standards ("AS") specified under Section 133 of the Act, read with Companies (Accounting Standards) Rules, 2021.

   (e) On the basis of the written representations received from the directors as on 31st March, 2026 and taken on records by the Board of Directors, none of the directors is disqualified as on 31st March, 2026 from being appointed as a Director in terms of Section 164(2) of the Act.

   (f) With respect to the adequacy of internal financial controls over financial reporting of the Council and operating effectiveness of such controls, refer to our separate report in "Annexure A"

   (g) In our opinion, Section 197(16) of the Act in respect of remuneration payable to its directors as provided under Section 197(16) of the Act is not applicable to the Council as it is registered under Section 25 of the Companies Act, 1956.

   (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

      i. Council has disclosed the impact of pending litigations on its financial statements (Refer Note 22.2 to the financial statements).

      ii. Council did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.

      iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by Council.

   (i) Based on our examination which included test checks, the Company has used accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with, in respect of accounting software where the audit trail has been enabled and that audit trail of prior year has been preserved by the Company as per the statutory requirements for record retention to the extent it was enabled. (Refer note no. 22.18 to the financial statements).

Auditors' Report on the Internal Financial Controls under Clause (i) of Sub-Section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **Basic Chemicals, Cosmetics and Dyes Export Promotion Council** ("the Council") as of 31st March,2026 in conjunction with our audit of the financial statements of the Council for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Council's Committee of Administration is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Council considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Council's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Council's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing deemed to be prescribed under Section 143(10) of the Act to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Council's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

Council's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Council's internal financial control over financial reporting includes those policies and procedures that:

(1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Council;

(2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Council are being made only in accordance with authorisations of management and directors of the Council;

(3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Council's assets that could have a material effect on the financial statements; and

(4) also provide us reasonable assurance by the internal auditors through their internal audit reports given to the Council from time to time.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Council has broadly, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2026, based on the internal control over financial reporting criteria established by the Council considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI except to have the Information Systems Audit to ensure security, authenticity etc. of the various data, documents and records maintained by the Council. Notes forming Part of Financial Statements

Council's Information:

Basic Chemicals, Cosmetics & Dyes Export Promotion Council popularly known as CHEMEXCIL (hereinafter referred as the "Council") is set up by the Ministry of Commerce & Industry Government of India in the year 1963 with the objective of promoting exports of the Dyes and Dye Intermediates, Basic Inorganic & Organic Chemicals, including Agrochemicals, Cosmetics, Soaps, Toiletries & Essential Oils, Specialty Chemicals, Lubricants and Castor oil. The Council has been registered as a Company under the provisions of the 'Companies Act, 1956 (hereinafter called as the "Act"). By virtue of the license granted to the Council by the Central Government under Section 25 (now governed by Section 8 of the Companies Act 2013) of the 'Act' the word "LIMITED" is not required to be suffixed to its name. The Council is registered as a public charitable trust under Section 12AA of Income Tax Act, 1961 and accordingly liable for taxation as per provisions applicable to charitable trusts viz. Sections 11, 12 and 13 of the Income Tax Act, 1961 valid up to 31st March,2032.

1. Material Accounting Policies:

1.1 General:

a) The financial statements are prepared on the basis of historical cost convention, in accordance with applicable accounting standards and on the principle of a going concern.

b) All income and expenses to the extent considered receivable and payable, respectively with reasonable certainty are accounted for on accrual basis.

c) Membership subscription which remains unpaid as at the close of the year is not accounted for except the amount actually received out of such unpaid subscriptions up to 30th June,2026 of the following year.

d) Entrance Fees receipts are credited to General Reserve.

1.2 Use of Estimates:

The preparation of financial statements is in conformity with Generally Accepted Accounting Principles (GAAP). It requires Committee of Administration to make estimates and assumptions that affects the reported amounts of assets and liabilities and the disclosure of contingent liabilities on the date of financial statements and reported amounts of revenue and expenses for that year. Actual results could differ from these estimates. Any revision to accounting estimates is recognized prospectively.

1.3 Property, Plant and Equipment:

Property, Plant and Equipment are stated at cost of acquisition less accumulated depreciation/amortization without any adjustment for Government Grant received, if any, for their purchase.

1.4 Depreciation/Amortization and Impairment:

Depreciation on Property, Plant and Equipment is provided on written down value method at the useful life specified in Schedule II to the Companies Act, 2013 (hereinafter referred to as the 'Act').

Depreciation methods, useful lives and residual values are reviewed periodically, including at each financial year end.

a. Impairment of Assets:

i. The Council assesses the carrying amount of assets at each Balance Sheet date to determine whether there is any indication of impairment. If such indication exists, the Council estimates the recoverable amount of the assets. The recoverable amount is estimated as the higher of the net realizable value and the value in use with an impairment loss being recognized whenever the carrying amount exceeds the recoverable amount.

ii. A previously recognized impairment loss on assets is reversed if there has been a change in the estimates used to determine the recoverable amount, however not to the extent higher than the carrying amount that would have been determined had no impairment loss been recognized in prior years.

1.5 Revenue Recognition:

a) Contribution from Members:

Contributions receivable from Members for participation in Exhibition, Delegation, Seminar Fees, REACH processing Fees are recognized as income as and when the respective activities are completed.

b) Government Grants:

Grants from Government are credited to Income and Expenditure Account on receipt basis as it is not possible to ascertain, the quantum of Grant due & receivable from/refundable to the Ministry of Commerce and Industry with reasonable certainty/accuracy

c) Sponsorship Income

Sponsorship received towards workshops/seminars is temporary in nature and is specifically earmarked to meet the related expenditure incurred for conducting such workshops/seminars. Accordingly, the Council has of netted off such sponsorship income against the corresponding workshop/seminar expenditure.

1.6 Transaction in Foreign Currency:

Transactions in foreign currency are recorded at the rate of exchange in force at the time of occurrence of the transaction.

Monetary - Current assets and current liabilities in foreign currency at the year-end are stated at the rate of exchange in force as on that date and the resultant gain / (loss) is recognized in the Income and Expenditure Account.

b) Gratuity is charged to Income and Expenditure Account on the basis of actuarial valuation as at the year end and funded into an approved Trust.
c) Leave Entitlement Benefits are provided for on the basis of actuarial valuation as at the year end.

1.8 Provision and Contingent Liabilities:

a) Provisions are recognized for liabilities that can be measured only by using a substantial degree of estimation, if

   a. The Council has a present obligation as a result of a past event;
   b. A probable outflow of resources is expected to settle the obligation; and
   c. The amount of the obligation can be reliably estimated.

b) Where some or all of the expenditure required to settle a provision is expected to be reimbursed by another party, such reimbursement is recognized to the extent of provision or contingent liability as the case may be, only when it is virtually certain that the reimbursement will be received.

c) Contingent liability, if material, is disclosed in the case of:

   a. A present obligation arising from a past event, when it is not probable that an outflow of resources will be required to settle the obligation.

   b. A possible obligation, unless the probability of outflow of resources is remote.

Notes forming Part of Financial Statements

22. Notes to Financial Statements:

22.1 a) With regards to premises at Jhansi Castle, the Structural Audit carried out by M/s. V.J. Joshi & Associates and as per their report dated 26th April, 2017, "The building is more than 70 years old and general overall observation indicates that the building is substantially deteriorated at many places and if urgent repairs are not done, it may lead to fatal accidents." Accordingly, the Structural Audit has been carried out in the month of July, 2026 for Mumbai Office premises. The Report for the same is awaited. The Council is occupying premises at 4th floor (as sub tenant to Indian Trade Promotion Organization (ITPO) and 5th floor (as statutory tenant) of the aforesaid Jhansi Castle since 1971. [Ref. Note No. 7 regarding Property, Plant and Equipment]

b) The Council has made settlement with Prakriti Trading Company with regard to the arrears of rent for 5th floor of the aforesaid Jhansi Castle and has made the settlement amount which Council is paying rent of Rs.0.24 Lakhs per month (Previous Year Rs. 0.20 Lakhs per months) regularly from 01-01-2020 based on the settlement.

22.2 Contingent Liabilities not provided for in respect of:

a) Service Tax Liability for earlier year in terms of the Show Cause Notice dated 20/04/2013 for Rs.262.12 Lakhs (including interest up to the date of demand) was decided in favour of the Council by the Principal Commissioner CGST & C Ex Mumbai by his Order dated 15-03-2021. However, as CGST department has preferred an appeal against this order in the Hon'ble Tribunal, the Council continues to show it as a contingent liability.

b) The Income Tax assessments of the Council have been completed for assessment years 2023–24, 2024–25, and 2025–26, resulting in demands of Rs. 168.38 Lakhs, Rs. 780.94 Lakhs, and Rs. 527.43 Lakhs, respectively. Thus, an aggregate demand of Rs. 1476.75 Lakhs has been raised by the Income Tax authorities. The majority of this demand stems from amounts spent outside India on the Council's objects, for which the Council has submitted an application to the Central Board of Direct Taxes (CBDT) u/s 11(1)(c) of the Income Tax Act, 1961

c) Council has reviewed all its pending litigations and proceedings and has made adequate provisions, wherever required and disclosed the contingent liabilities, wherever applicable, in its financial statements.

22.3 The expenses in respect of code-activities are subject to sanction / confirmation of the Government of India and Grant-in-aid received from the Ministry of Commerce and Industry is subject to adjustments as may be necessary in view of any Government Audit observations, non/partial fulfillment of certain conditions, if any as may be observed by them for eligibility of such Grant-in-aid, clarifications by the Council and final decision of the Ministry.

Government Audit has been carried out for Financial Year 2021-22 to 2024-25 by Indian Audit and Accounts Department, Office of the principal Director of Commercial Audit and Ex-officio member, Audit Board-I, Mumbai and have issued a report of observations dated 21st August, 2025. The Council has replied to the observations on 9th September, 2025 it does not expect any material impact on the financial statements.

22.4 The Council generally classifies its expenditure in accordance with the format given by Ministry of Commerce and Industry, Government of India.

22.5 As per the practice consistently followed, the subscription amount pertaining to FY 2025-26 received subsequently up to the cutoff date of 30th June, 2026 (PY 30th June 2025), is recognized as income and trade receivables in the books of account. Accordingly, the amount recognized is Rs. 7.50 Lakhs (Previous Year Rs. 10.27 Lakhs).
