NOTIFICATION*Addendum*

The following communication, dated January 29, 2019 , is distributed at the request of the delegation of Honduras .

RTCA 65.05.51.08 Veterinary Drugs and Related Products, Establishments that Manufacture, Market, Fraction or Store. Sanitary Registration and Control Requirements

The Government of the Republic of Honduras informs that it notified on December 15, 2008 with the symbol G / TBT / N / HND / 56, the draft regulation " RTCA 65.05.51.08 Veterinary Drugs and Related Products, Establishments that Manufacture, Market, Fraction or Store. Sanitary Registration and Control Requirements " , with the purpose of establishing the provisions of sanitary registration and control of medicines for veterinary use, related products and establishments.

Applies to veterinary drugs and related products, as well as establishments that register, manufacture, market, dispatch or sell, fraction or store in the States Parties.

The sanitary registration of the raw materials to elaborate veterinary medicines and related products, as well as the veterinary master formulations, is exempt from the scope of this regulation, which is subject to the national legislation of each State Party.

For this reason, it is communicated to the member countries of the WTO, that this *Addendum* is made informing them that this regulation has been updated and for this reason a period of 60 days is provided. days from your notification to issue your comments.
